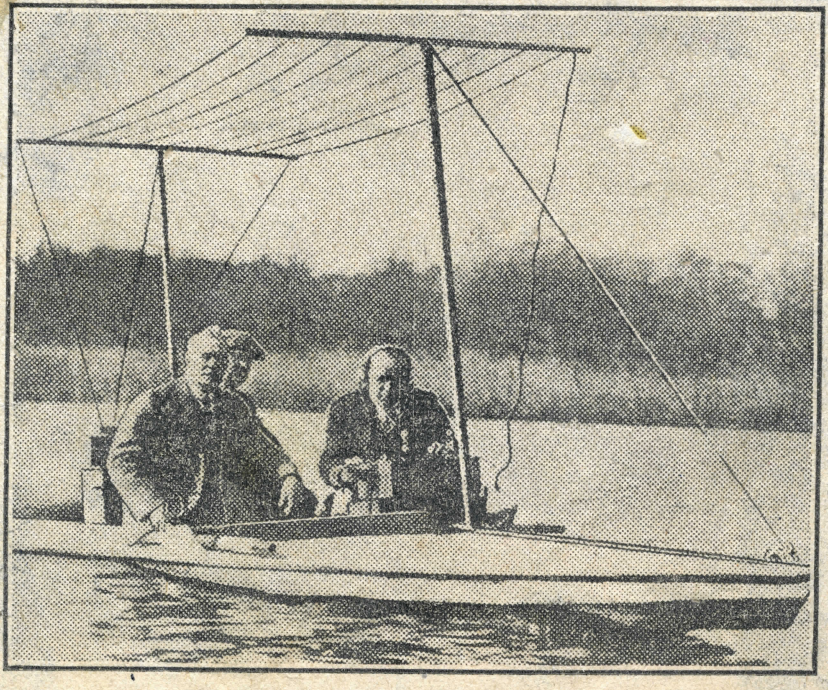
WIRELESS RECEIVING APPARATUS ON SMALL RIVER CRAFT.



BROADS AND BROADCASTING.

Wireless enthusiasts are becoming so keen on their hobby that even the lure of nature's solitudes will not compensate. The picture shows a small motor-boat on Brundall Broad, to which the owner, Mr. R. J. Hibberd, M.I.R.E., has fitted a new form of aerial enabling him to listen-in to speeches and music from the Continent.
